RELOCATION GUIDE

Albuquerque • Rio Rancho • Corrales • Placitas

Dear Future Resident,

Los Alamos National Laboratory continues to attract exceptional talent from across the country, and I know that relocating to New Mexico is a big decision. I'm passionate about **making relocation as easy and stress-free as possible** for LANL employees and their families.

I specialize in helping new and relocating employees navigate the Albuquerque area, with a focus on Rio Rancho, Corrales, Placitas and Albuquerque. I also work with NORTH LANL employees who commute from these areas and can provide valuable insight into neighborhoods, commute times, and lifestyle options.

If you're considering a move to New Mexico, I would love to schedule a private consult with your incoming employees, whether they are preparing for a home search or I can be a trusted local resource.

My goal is to make the transition to New Mexico as smooth and stress-free as possible by providing honest guidance, local market expertise and a personal approach tailored to each client's needs.

Please feel free to reach out — I'd be happy to provide additional information or answer any questions about how I can support LANL's relocation efforts.

Warm Regards,

Kori Bristow

WHAT MY CLIENTS SAY

I've now bought 4 properties and sold 2 with Kori. As a flipper, there are a lot of complications that come with the job. Kori has somehow got us properties that we were 8th in line for, and on the flip side has sold properties at top dollar. More importantly, she is ETHICAL, fair to all parties and true to her calling. She checks me when I need it, but also stands up for me when it is called for."

- Zillow Client

"Working with Kori was genuinely one of the best parts of buying our home in Albuquerque. We first connected before we even moved to New Mexico, and from the beginning she was incredibly helpful, knowledgeable and supportive. She really took the time to understand what we were looking for and made the entire process feel manageable, even from out of state."

Ashley W. Zillow Client

"Kori was brilliant in finding us a great house. Her keen observation skills and ability to stay within our budget were impressive. She truly understands the market and what her clients need. I highly recommend Kori to anyone looking to buy or sell a home in New Mexico!"
